## Join us today

We aim to promote a positive and attractive image for all businesses in our District, which is approximately eighty square miles around the town of St Columb Major, Cornwall, and to sustain and develop a vibrant and thriving business community in the District.

It is important for the Chamber to understand the needs and issues of local businesses, both large and small. This will help to influence key policy decisions in the future.

Never before has there been a more urgent need for a business 'voice', and we want to be heard.

The Chamber is open to all local businesses within the District and those with a vested interest in the promotion of business in the area.

### The Chamber offers the following services to its Members:
